

SONOMA GRILL

+ Wine Bar

"Welcome to Sonoma Grill + Wine Bar, where our goal is to offer you an exceptional beverage experience. Please enjoy our listing of wines, beers, ciders, specialty cocktails, spirits and other refined beverages. We've organized the wine list primarily by grape variety and secondarily by region, to showcase a range of classic labels as well as interesting wines from a diversity of sources, with of course a focus on Sonoma. In addition, we've noted those wines made from sustainable/organic and biodynamic producers, in recognition of their efforts. We offer 30- wines by-the-glass -- either as a full or half glass -- to let you enjoy a wonderful range of flavors. Should you have any questions or need a suggestion we would be happy to assist, please don't hesitate to ask."
